

Between the blue of the sky and the calm of the Serra: finca with Mediterranean character in Andratx

Description

On the outskirts of Andratx, this finca stands out for its well-kept Mediterranean-style gardens, which surround the house and offer pleasant views of the mountains. With its own private well, water supply is guaranteed, allowing the garden to be kept in excellent condition all year round.

The ground floor features an open and functional layout, with a modern kitchen integrated into the dining area and a cosy living room with direct access to a covered terrace. A guest toilet completes this level.

Upstairs, there are two carefully designed bedrooms, each with its own en-suite bathroom.

Outdoors, the spaces invite relaxation: shaded terraces, native vegetation and corners that reflect the essence of Mediterranean living. The possibility of building a pool is currently being evaluated, as part of the land is located within urban zoning.

Andratx, with its peaceful and authentic atmosphere, blends the charm of a traditional Mallorcan village with the proximity of the vibrant Port of Andratx. Surrounded by nature and just minutes from the sea, it is one of the most sought-after spots in the southwest of the island.
