Description

In one of the most coveted locations in southwest Mallorca, this extraordinary property unfolds across a 2,471m² plot, merging privacy, high-end design, and unparalleled views of the deep blue sea and the iconic Club de Vela in Port d'Andratx.

The main residence, with a built area of 1,079m², stands out for its clean lines, noble materials, and a constant connection with the surrounding landscape. Every room has been designed to capture natural light and frame panoramic views of the harbor and the sea horizon. The home features six bedrooms, spacious living areas, and a top-tier wellness zone with spa, sauna, steam bath, and a unique ice slide descending from the ceiling – all subtly illuminated through the pool's underwater windows.

An architectural bridge connects to the 301m² guest house, which includes two bedrooms, a cinema room, and a play area – ideal for hosting guests in full privacy without compromising comfort.

Among its many amenities are an elevator, garage with a rotating platform, and EV charging points. Integrated climate control, a fireplace, and underfloor heating ensure a cozy atmosphere throughout the year. Outdoors, a private pool invites relaxation with open views of the mountains and the Mediterranean.

Located just moments from the marina, exclusive boutiques, renowned restaurants, and all first-class services, this property offers refined living in a setting that retains the charm and authenticity of its seafaring roots. Palma's international airport is about 40 minutes away by car, with direct connections to major European cities and long-haul destinations.

A timelessly elegant villa designed for those who seek the exceptional.
