

Space, light and views in a prime location of Palma

Description

Located on the prestigious Paseo Mallorca, just a short stroll from Palma's historic centre and surrounded by some of the city's finest boutiques, galleries and restaurants, this elegant apartment perfectly blends spaciousness, comfort and location.

Occupying an entire floor of a distinctive seven-storey building – with only one residence per floor – the property offers 240 m² of living space and ensures privacy and exclusivity rarely found in the heart of the city.

From the private terrace, enjoy open views over the shimmering blue sea and the iconic Bellver Castle, adding a distinctly Mediterranean backdrop to daily life.

The interior layout is generous and well-balanced: five double bedrooms, one single bedroom and three bathrooms provide ample room for family living or entertaining guests. Two large, bright living rooms – together totalling 56 m² – offer versatile spaces for both relaxation and social gatherings. The fully fitted and equipped kitchen is complemented by a laundry area and a spacious rear gallery, adding practicality to the home.

High-quality materials such as oak parquet flooring, gas central heating with radiators, and a full air conditioning system (hot/cold) throughout ensure year-round comfort. The property was completely renovated in 2011, combining solid craftsmanship with timeless elegance.

An ideal home for year-round living in Palma, where space, light and charm come together in one of the city's most desirable neighbourhoods.
